Brand New Book ***** Print on Demand *****.Most ordinary people are being swindled out of their chance of success, doomed to permanent failure or for the vast majority, doomed to never even having a chance to try for their success, their dream. Why? Because the Road to Success is paved with. bullshit. And this book sweeps aside this bullshit in a entertaining, but no holds barred way. Because a revolution is needed, a revolution for the ordinary man and woman. Andrew Carnegie dreamed of a Monetary Revolution for the Common Man, Henry Wallace spoke of a Century of the Common Man and The Great Success Swindle proclaims a Success Revolution for the Common Man. So is this just another self-improvement book? No, It is not a self-improvement book in the traditional sense, it is a life-improvement book - most people do not need self-improvement despite many of the vast tomes dedicated to the subject, they are fine as they are, it s their life that sucks. The Great Success Swindle intends to measurably raise the rate of ordinary people reaching whatever their version of success and a great life is. The book is no fluff, no bullshit, gloves off but entertaining look he book covers: Why so many ordinary people are doomed to failure before they start How to tell you are being swindled How to recognize swindlers How to break out of the swindle and immeasurably iincrease your chance of success Where to go now -resources including The Great Life Swindle Blog and later previews of other kindle singles in the series The book also includes 21 Rules of Success for the Common Man.
