Filesize: 5.9 MB

Reviews

Without doubt, this is actually the greatest function by any article writer. It is among the most amazing publication i have got read. Its been printed in an exceedingly basic way in fact it is simply after i finished reading through this publication where in fact changed me, change the way i believe. (Arielle Ledner)

DERELICT AIR: FROM COLLECTED OUT

Enitharmon Press. Paperback. Book Condition: new. BRAND NEW, Derelict Air: From Collected Out, Edward Dorn, Justin Katko, Kyle Waugh, Derelict Air gathers over 400 pages of previously uncollected poetry gleaned from ephemera, correspondence, and notebooks housed at numerous archives in the USA and UK. From Dorn's first Beat poems in 1952, to visionary juvenalia from his study at Black Mountain, to the long poems that were central to the development of the British Poetry Revival, and to translations of native texts from the Mayans and Aztecs, the transatlantic roots of Dorn's anti-capitalism are here fully visible. Robert Creeley wrote of Dorn that "No poet has been more painfully, movingly, political". Whereas Dorn's Collected Poems exhibits the poet that he became, Derelict Air reflects a career of becoming, full of unacknowledged successes in the diverse forms of the lyric, the pronouncement, the mock-epic, and the epigram. Recovering four lost books, Derelict Air significantly expands Dorn's oeuvre, including impassioned outbursts written during the Cuban missile crisis, illustrated bucolics for an unfinished children's book, "confetti poems" meant to shower the 1968 DNC, outtakes from his sci-fi epic Gunslinger, and a relentless extension of his nineties "stock ticker". Complete with scholarly endnotes, manuscript facsimiles, and a cover by the painter Raymond Obermayr, this substantial offering of Edward Dorn's poetry is a must-have for any reader interested in post-War American modernism.
