Did Lydia commit suicide, and leave her husband and daughter by choice - or is something more sinister afoot? Meet Lydia, John, and Diana Hunter. Lydia is a loving mother and wife, who wants nothing more than the best for her family. John is her husband. He is an over-protective homicide detective who loves his wife and teenage daughter with everything he has. Their daughter, Diana, is a genius, with an IQ level far higher than most. This is a family that adores one another. A family, however, that is torn apart by tragedy. When Lydia is found dead at her workplace, John loses the love of his life. His heart breaks for himself and his little girl as Diana spirals out of control. The authorities rule the death a suicide, but when events don't start to add up, the family that is left behind begins to suspect something isn't right.
