BLOOD MONEY

Random House USA Inc, United States, 2002. Paperback. Book Condition: New. Reprint. 170 x 97 mm. Language: English . Brand New Book. Thomas Perry just keeps getting better, said Tony Hillerman, about *Sleeping Dogs*--and in this superb new novel by one of America's best thriller writers, Jane Whitefield takes on the mafia, and its money. Jane Whitefield, the fearless guide who helps people in trouble disappear, make victims vanish, has just begun her quiet new life as Mrs. Carey McKinnon, when she is called upon again, to face her toughest opponents yet. Jane must try to save a young girl fleeing a deadly mafioso. Yet the deceptively simple task of hiding a girl propels Jane into the center of horrific events, and pairs her with Bernie the Elephant, the mafia's man with the money. Bernie has a photographic memory, and in order to undo an evil that has been growing for half a century, he and Jane engineer the biggest theft of all time, stealing billions from hidden mafia accounts and donating the money to charity. Heart-stopping pace, fine writing, and mesmerizing characters combine in *Blood Money* to make it the best novel yet by the writer called one of America's finest storytellers, (San Francisco Examiner).
