## THE C ENIGMA

Createspace, United States, 2014. Paperback. Book Condition: New. 201 x 124 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Based on actual heroes who gave their lives in order to fight the dark evil that Hitler's Nazism represented, The C ENIGMA explores the premise that each and every one of us has the personal responsibility to fight for freedom, justice, and the forces of good. An individual's actions can have a drastic impact on the outcome of any battle, war, or campaign. But the story begins quietly, intimately, with a man's rifling through hidden treasures in his grandfather's attic. Anthropology professor Matthias Adkins discovers a picture of Nazi Germany's lead secret service agent, and along with it a series of riddles. Armed with these few clues, Matthias sets out on a hunt through time to find out who his family really is. And in the process, he may find it's also a journey of self-discovery that reveals a destiny previously beyond his comprehension. This page-turner bridges decades and generations, and infiltrates secret organizations and evil cults, to weave a mysterious and compelling narrative that broadens one's perspective regarding history and personal duty.
