DISNEY DECLASSIFIED: TALES OF REAL LIFE DISNEY SCANDALS, SEX, ACCIDENTS AND DEATHS

Quaker Scribe, United States, 2014. Paperback. Book Condition: New. 2faced Design (illustrator). 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Welcome to the world of Disney Declassified, a REAL look at some of the situations that play out in their theme parks, their corporate boardroom and all too often, a courtroom. Some of the situations are heartbreaking, others are head-scratching, and all of them are tales Disney would rather you not hear. Walt Disney, the company bearing his name, and their theme parks have been analyzed and chronicled almost ad nauseam. The word Disney conjures up different feelings for different people. For many, The Walt Disney Company stands for all things wholesome, family-centric, moral and entertaining, but every now and then scandalous and salacious behavior seeps into the utopian world of Disney. Disney Declassified isn't about the analysis of the Disney Company at a deep or philosophical level--actually, it's quite the contrary; it's a collection of true stories with Disney being the setting or the catalyst in situations that are very un-Disney-like. In some of these instances, not every Disney story ends happily ever after; The shocking time a baby was born and abandoned in a Magic Kingdom toilet. When an eight-year-old girl was randomly shot in the back while riding aboard the Disneyland Railroad. The controversial story of a handicapped woman having her Disneyland annual pass suspended for speeding and running into other guests with her motorized scooter. What do a priest accused of molesting multiple children and the founder of a Ponzi scheme have in common? They both fled their situations and went to work at Walt Disney World. The role a former Nazi SS member played in the construction of Walt Disney World. Two hostage situations at Walt...
