LifeSite/Angelico Press, United States, 2015. Hardback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The core of the global cultural revolution is the deliberate confusion of sexual norms. It is the culmination of a metaphysical revolution as well--a shifting of the fundamental ground upon which we stand and build a culture, even a civilization. Instead of desire being subjected to natural, social, moral, and transcendent orders, the identity of man and woman is dissolved, and free rein given to the maximum fulfillment of polymorphous urges, with no ultimate purpose or meaning. Gabriele Kuby surveys gender ideology and LGBT demands, the devastating effects of pornography and sex-education, attacks on freedom of speech and religion, the corruption of language, and much more. From the movement's trailblazers to the post-Obergefell landscape, she documents in meticulous detail how the tentacles of a budding totalitarian regime are slowly gripping the world in an insidious stranglehold. Here on full display are the re-education techniques of the new permanent revolution, which has migrated from politics and economics to sex. Kuby's courageous work is a call to action for all well-meaning people to redouble their efforts to preserve freedom of religion, freedom of speech, and in particular the freedom of parents to educate their children according to their own beliefs, so that the family may endure as the foundation upon which any healthy society is built. Mrs. Kuby is a brave warrior against ideologies that ultimately result in the destruction of man. --POPE BENEDICT XVI As the carnage of untrammeled sexual license piles up in cultures that have embraced sexual revolutionary ideology, we need the kind of sober and thoughtful analysis Gabriele Kuby provides. Her work will help readers understand that false visions of freedom are highways...
