C Hurst & Co Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, Ataturk: Founder of a Modern State (New edition), Ali Kazancigil, Ergun Ozbudun, Like all great men in history, Mustafa Kemal Ataturk (1881-1938) can be viewed in a number of ways: as the founder of a state, a nation-builder, creator of political institutions, a moderniser of his society, an extraordinarily capable political leader, a successful military commander, an educator of his nation, one of the first successful anti-imperialist leaders of the developing world, and a statesman who deeply believed in and contributed to world peace. In this volume Ataturk's role as the founder of a modern state, secular and republican, is emphasised: the creation of a modern state was a pre-requisite for the modernisation of society and economy, and Ataturk's policy of friendship with all nations enabled him to concentrate on his great task of building and consolidating the new Turkish state. Also, it was the intention of the editors to bring out the universal significance of the Kemalist experience and to examine the enduring lessons which other modernising societies can learn from it. Close attention is given to the historical setting from which the Kemalist republic emerged - and the elements of continuity and change between the late Ottoman Empire, particularly in the Young Turk era (1908-18), and the Kemalist republic. Such a historical perspective is specially useful since in works on great historical figures the unique personality traits often overshadow the societal factors. One of the distinguishing features of the Kemalist revolution in the Islamic world is the emphasis on secularism: Turkey remains today the only Islamic country where it is one of the basic constitutional principles, and the legal system is completely secularised. Ataturk died in the prime of life, but he remains one of the...
