Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Why Britain Is at War: The Causes and the Issues; Set Out, in Brief Form, From the Diplomatic Correspondence and Speeches of Ministers This pamphlet was prepared primarily for circulation by the Victoria League, which proposes through its organisation and allied Associations both at home and in the Dominions to distribute information, by lectures, pamphlets and leaflets, in the way of simple statements about the causes which led to the War and the issues which are involved. The pamphlet is placed on sale to the general public with the idea that it may possibly be found useful by others than those whom the Victoria League hopes to reach. The immediate causes of the war and of Britain's intervention in it are not as yet fully recognised in some quarters. They are clearly set forth in the White Paper of Correspondence respecting the European Crisis. This Paper (Miscellaneous - No. 6, 1914) should be in the hands of everyone who has time to master it; it may be obtained through any bookseller, price 9d. The speeches of the Prime Minister and of the Foreign Secretary in Parliament are only fully intelligible in the light of the Diplomatic Correspondence. To the arresting nature of the Correspondence a striking testimony may be mentioned. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
