ABC-CLIO, United States, 1999. Paperback. Book Condition: New. New.. 279 x 217 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Teach students valuable information retrieval skills and build information literacy with this excellent guide and activity book. Along with a simplified explanation of Boolean logic and how it is used for online searching, it offers reproducible worksheets that lead students through decision-making and powerful strategic techniques of search process. These skills help online searchers make decisions and gain access to the desired person, place, or thing; off-line, they can be used to narrow a topic and search through library information with focus and direction. They can even be used in everyday situations, such as choosing pizza toppings. A must-buy for school libraries and computer labs, this book can also be used by classroom teachers and for independent instruction with older students and adults. A great tool for working through the cobwebs of online searching.
