Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.What matters most when someone close to you has been diagnosed as terminal? Time and quality of life for both of you. Coping with both the practical and emotional questions of this challenging passage. We area ll going to die one day, yet every death is individual -- as is the walk toward that individual death both for the one leaving and for the ones they leave behind. Focusing on what truly matters between human beings while taking care of the business of living at the end of life is what this book is about. This book offers: Practical tips for coping with the physical changes that will impact both the person and the caregiver emotionally, physically, financially and spiritually. Advice on what to put in place before the person dies to make things a little easier for those they leave behind. The stories and examples of others to let people know they are not alone Advice and tips for those who are not going to be primary caregiver, but whole are friends, neighbors, colleagues or any other part of the relationships we all share in life There is no perfect way to walk through this time in life. (There s no perfect way to walk through all of life for that matter). But there are good ways to do it. Focusing on what matters while taking care of the practical business of living and dying can make this walk slightly less scary and more rewarding for everyone. How to use this book: Browse the chapter headings; skip around in the TIPS for ways to approach or solve specific problems. Search the Sources lists at the...
