Not illustrated. 1900 edition. Excerpt: .exceed what might have been. But to know what might have been implies a considerable knowledge of nature, a knowledge only to be gained by a long course of study, and so I would say most emphatically that if the photographer has not studied nature and does not possess the requisite knowledge, he had far better be content to let the self-produced photographic image alone, lest his modifications and alterations result in a greater absence of truth to fact than the uncontrolled print possesses absence of effectiveness. Of course there are many instances in which but little modification is required, the scene as seen in nature being sufficiently satisfactory. So much the better; for let it be remembered that as photography is our chosen medium, then if photography unaided will give us the effect we want there is no especial virtue in altering it....
