## MYRRH

[DOWNLOAD](#)

Dog Ear Publishing, United States, 2014. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.What if the world didn't end as it was supposed to? What if something far worse occurred? Willie (War), Frank (Famine), Petey (Pestilence), and Dave (Death) would like you to know that the Apocalypse began in 90 A.D., just as St. John watched and took it all down; all visible signs of it were then buried beneath human history so that none would notice until it was too late. With the centuries passage, the Four Horsemen of the Apocalypse aren't the mindless gargantuans they were. They've learned to think, to reason, even to dream. They have also lost their horses, most of their weapons and any element of surprise. One day, something like an opened sixth seal and a waking nightmare inform them that it nearly is too late. To do what? Stop it. Arrive at a more fitting coda for an X-iverse in which they are the ultimate untouchables. The Four Horsemen of the Apocalypse (War, Pestilence, Famine and Death) make no secret of their intentions as they reveal themselves in varied ways in this work of fiction.[MYRRH is] grand in scale and exemplary in its knowledge on a variety of topics. -KIRKUS K. Griffiths is an engineer by trade. He owns his own electronic security design, installation and consulting firm in New York City, NY. He was born on Staten Island, NY in 1955 and baptized in the old Our Lady of Good Counsel Church on Victory Boulevard. It is now a gymnasium. He has never gotten over this. For his college newspaper and magazines he wrote humorous articles and the odd H.P. Lovecraft spoof. He has published articles on...
