You know deep down inside your soul that to improve you need to take things to a different level. The question is: how? Many would consider strategy as the right starting place. In warfare, and in business, there are strategies which lead to the right tactics. But strategies come first. The Art Of War by Sun Tzu offers strategies that have stood the test of 2,500 years of time and is the most widely read book on military tactics and strategy in the world. While the book was written as a treatise on military methods; it is the timeless observations on strategy that make it a must read by today's political and business leaders. Its contents may have been considered carefully guarded state secrets in the past, but the lessons are now available for everyone worldwide to read, study, and apply. If you have not already done so, it would be worthwhile to read the entire text of The Art Of War. That can be a difficult and time-consuming endeavor your first time through. We learn through repetition, however, reading the complete book several times is impractical for most people. This book provides great context for the teaching of Sun Tzu. You can absorb the teachings with the 200 most valuable and important quotes pulled out of the book for convenient readings that can be read and studied to provide a foundation of understanding. These quotes combine to provide successful strategies that you can readily apply to outthink and outmaneuver your business competition and stay at the top of the game.
