Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from How to Keep Household Accounts: A Manual of Family Finance The story form, it is hoped, will lend interest to the exploration of the field and to the laying down of the bases upon which the accountancy of the house is built. Very little has been as yet written upon this important subject of household accounting. Especially is this true of books in our own language. To a few Italian, German, and French writers, however, a general acknowledgment is here due for material assistance in the effort to produce a manual of domestic money matters which may prove of practical utility in the administration of the modern home. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
