

Comprehension Assessment: A Classroom Guide

By JoAnne Schudt Caldwell

Guilford Publications. Paperback. Book Condition: new. BRAND NEW, Comprehension Assessment: A Classroom Guide, JoAnne Schudt Caldwell, How can busy teachers successfully manage the complex task of assessing their students' reading comprehension? This invaluable book - the first stand-alone guide on the topic - presents reliable, research-supported guidelines and procedures for K-6 teachers to use in the classroom. Through practical tips and realistic examples, the book demonstrates time-saving ways to implement and adapt a wide range of existing assessments, rather than creating new ones. Also covered are strategies for conducting multiliteracy assessments, using classroom assessment to complement standardized testing, accommodating response-to-intervention mandates, and linking assessment to content-area instruction.

Reviews

It is one of the most popular book. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
