Templar Publishing. Paperback. Book Condition: new. BRAND NEW, Honeysuckle and the Bees, Lara Faraway, Jan McCafferty, Patricia Ann MacDougal, The world we know is only the beginning. Beneath the surface and between the moonbeams is another, more magical realm. All magic comes from this place, through doorways that only the fairies can open. And at its centre is the Fairythorn Tree -- the oldest tree in any garden, wood or park, and home to the tiny fairies who live in its branches. There's something seriously wrong with the bees who live in the Fairythorn Tree, so Mother Nature turns to Honeysuckle for help. Can one little fairy face up to this great big task?.
