Selected Writings (New edition)

By Oliver Goldsmith, Ed Lucas

Carcanet Press Ltd. Paperback. Book Condition: new. BRAND NEW, Selected Writings (New edition), Oliver Goldsmith, Ed Lucas, Oliver Goldsmith (1728-1774), essayist, reviewer, dramatist, novelist, librettist and poet, became one of the most popular authors in that "age of authors", especially for "The Vicar of Wakefield". In this selection of his poetry and prose, John Lucas reconsiders Thackeray's praise of Goldsmith as "the most beloved of English writers", and reveals him as a more radical, formidable - and Irish - figure than the phrase suggests. Goldsmith's "wit, civility of tone and adroit handling of form" express, Lucas argues, the author's intelligence, integrity and concern for a society that he saw disintegrating into competing interests. The introduction, detailed notes and afterword on the contemporary context present a Goldsmith whose moral seriousness is as necessary to 21st century society as it was to his own.
