The Heav'n Rescued Land

By Frank Becker

Greenbush Press, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****. The takeover of America, and the war that followed, was inevitable. The conquest had taken place in the minds of the people long before the first bomb fell. Too many had been willing to let others do their thinking for them in exchange for free food, housing, and health care. They casually traded America's unique birthright of freedom for the empty promises of government entitlements. Now, weeks after the conflagration, vast areas of the nation remain uninhabitable. Untold millions have died, and many more will perish simply because they have not prepared to survive. They will die unnecessarily because they are unnecessarily and willfully ignorant. Two kinds of people have survived. The first consists of those who sowed the seeds of disaster while feathering their own nests. The second are those forward-thinking Americans who read and responded to the handwriting on the wall. Instead of providing themselves with more comfortable life styles, they invested their limited resources to prepare for a catastrophe they prayed would never occur. Few others survived. Among those who foresaw the evil,...

Reviews

A fresh ebook with a brand new point of view. It is definitely simplistic but surprises in the fifty percent of your ebook. Its been designed in an extremely basic way and is particularly just soon after i finished reading this ebook where in fact altered me, change the way i really believe.

-- Dr. Alberta Schmidt V

This ebook will never be straightforward to get started on looking at but really fun to read. It is amongst the most incredible publication i have got read through. I realized this pdf from my i and dad encouraged this publication to learn.
