### Reviews

*It is one of the most popular publication. We have read through and that I am sure that I will likely to study again once more later on. I am just delighted to tell you that this is actually the finest publication we have read through in my individual existence and might be the best pdf for actually. (Mr. Cloyd Schmidt II)*

Realityisbooks.Com, Inc., United States, 2009. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.We attend life-enhancing seminars, listen to inspirational audio programs, and read dozens of self-help books by amazing people. No doubt when you leave these seminars or finish that latest book or audio program, you have a spring in your step, a smile on your face, and a brand new zest for life. Yet, unfortunately for many, the feeling doesn't last. This is the point where you ask yourself, How can I apply all I learned from that seminar/audio program/book to my world? This book is about bridging the gap between business and spirituality. I'm just an ordinary woman, in an ordinary job, living in ordinary suburbia, so if I can do this, you can, too! It is possible to bring your spirituality to the office, so that you don't have to be a Buddhist monk, a Yoga instructor, or a New Age storeowner to live within your center every day. All of this is meant to help you, and remind you that, in fact, you are your own guru. Dawn Staszak has been working in the office environment for over nineteen years including commercial and non-profit, large and small companies, both as a permanent and temporary employee. She graduated from DeVry University with a Bachelor of Science degree in Business Administration with a concentration in Sales and Marketing. She also holds two Associate degrees and five certifications including Office Management, Word Processing, and Executive Secretarial studies. In the workplace, she has taught Microsoft Word and Excel classes, taken Corporate Management Training workshops, and completed several business software classes. She is currently a Senior Administrative Assistant in a Fortune 500 company.
