This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

Ebury Publishing, United Kingdom, 2007. Hardback. Book Condition: New. 302 x 230 mm. Language: English . Brand New Book. Where does Rooney stand in the order of World Strikers?] Is Cech better than Casillas? Where does Gerrard rate against Vieira? Using its unique form guide, the MOTD Annual answers these crucial questions and many more, running down the top 50 deadliest strikers, the 50 meanest defenders, the 50 classiest midfielders and the top 25 keepers in the world. Also including the most detailed guide around to the Premiership clubs, plus interviews with top players, footballing insights from the MOTD presenters, and a guide to Euro 2008, it offers incredible value and genuinely new and exclusive information for discerning football fans. Everything that you would expect from a sporting brand as mighty as Match of the Day. The MOTD Annual was conceived two years ago by one-man band Terry Pratt, a former publisher of current football annual market-leader Match. With the Match Annual starting to look tired, but still hitting sales of 250,000, Terry spotted an open goal. He drafted in old colleague and former Match managing editor Chris Hunt, and together they created a far superior product and launched it under a much stronger brand. Terry was rewarded with 250 per cent sales growth from year one to two, and third place in the Football Annual bestsellers chart, behind only Match and Shoot . After this excellent launch, and with the same team now packaging the Annual for BBC Books, we are perfectly placed to take it all the way to the top.
