*A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).

PLEASE GOD, WHICH SIDE IS UP?

Austin Macauley Publishers. Paperback. Book Condition: new. BRAND NEW, Please God, Which Side is Up?, William Harris, "Please God, Which Side is Up?" is the memoir of an ordinary family man, who relates here snatches of his life from his invalid childhood in Scotland to training as a commando in the Royal Marines, to working as a journalist in Africa in the unsophisticated '50s and '60s; and latterly as a public relations specialist in South Africa - so that his grandchildren may know something about him and the life he has lived. It has not been an ordinary life. The author relates with sincerity - and sometimes disarming candour - his experiences and adventures as a boy dancing with the "ghosties" on Culloden Moor; serving with the elite 3 Commando Brigade in Malta; covering the chaotic, exciting and often comic events in Kenya during the Mau Mau Rebellion - or in Ian Smith's collapsing Rhodesia; and promoting the historic flight of a highly flammable hydrogen balloon over the mighty Drakensberg mountains in South Africa. This is a warm and whimsical story that will transport you to the countries and (frequently weird) situations that he encountered in his rich and interesting life. These memoirs reflect his inquisitive, often provocative, stance on life - its beauty and its people, as well as the idiocy of some of our world leaders and governments - all of it begging the rhetorical question: "Please God, which side is up?".
