Rogue Books, LLC. Paperback. Book Condition: New. Paperback. 342 pages. READERS CHOICE REVIEW With so many people praising this book, why do you need to hear from me Im writing this review because this book meets my 300 rule, i. e. 300 years from now, people will still be reading it, and still hooked page after page. Its a rare author that does that for me. -R. Matejek (55 stars) PRAISE FOR ENEMY IN BLUE, A THRILLER (130, 000 words long) For action, body-count and digging into the underworld of police politics-this is really a great read. However, I think the best asset of thenovel is the incredible drawing of the antagonist - the evil SergeantShaver really shines. -K. Hall, author of Red Mojo Mama (55 stars) The plot is as gripping as it is chilling. The story flows smoothly, and each chapter ends with the perfect amount of suspense to keep you wanting more. A fantastic and exciting read, as I could not put the book down. -B. Burton (55 stars) YOU KNOW WHO YOUR ENEMY IS The streets arent safe when your enemy wears a blue uniform and a gold badge. What if the good guys werent good What if a cop went rogue and killed an innocent man What if it was all caught on video and the cop would do anything to cover it up Chase this lawless cop through the streets and to a scintillating series of showdowns with Cruz Marquez, a young attorney trying to nail down his enemy in blue. Will justice be served READERS CANT GET ENOUGH This was a page-turner from beginning to end. -S. Owen, professional reviewer for Paper Mustang (55 stars) I felt everything about the novel was well to greatly done, the writing, the weaving of the plot, the characters and their personalities, all great. The ending was gutsy and daring....
