

No Easy Choice: A Story of Disability, Parenthood, and Faith in an Age of Advanced Reproduction

By Ellen Painter Dollar

Westminster/John Knox Press, U.S. Paperback. Book Condition: new. BRAND NEW, No Easy Choice: A Story of Disability, Parenthood, and Faith in an Age of Advanced Reproduction, Ellen Painter Dollar, In No Easy Choice, Ellen Painter Dollar tells her gut-wrenching story of living with osteogenesis imperfecta (OI)-a disabling genetic bone disorder that was passed down to her first child-and deciding whether to conceive a second child who would not have OI using assisted reproduction. Her story brings to light the ethical dilemmas surrounding advanced reproductive technologies. What do procedures such as in vitro fertilization (IVF) and preimplantation genetic diagnosis (PGD) say about how we define human worth? If we avoid such procedures, are we permitting the suffering of our children? How do we identify a "good life" in a consumer society that values appearance, success, health, and perfection? Dollar considers multiple sides of the debate, refusing to accept the matter as simply black and white. Her book will help parents who want to understand and make good decisions about assisted reproduction, as well as those who support and counsel them, including pastors and medical professionals.

Reviews

An exceptional book and also the font utilized was intriguing to read. This is for all who state there was not a worth reading. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Prof. Tyson Hilpert

A fresh e book with a new viewpoint. It is among the most awesome ebook we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
