In our modern society, many people are lost amid the panoply of contradicting ideas and the polemical rhetoric that ensures their confusion. We are not the first to lack answers, but we are unique in our lack of questions. In *Precursory Apologetics*, Jordan W. Wei leads a discussion into the very essence of our lives, including elusive understandings that are necessary for any comprehensive worldview. When the restraints of conversation are dissolved, allowing previous thoughts to be transcribed for the benefit of others, we may begin together along a pathway into the enigma of our hearts, guided by one practiced in its course and captivated by its passions and cautiously guided by the light of reason. There is no greater mission statement than that of philosophy in its prime. Join the conversation with Jordan W. Wei in *Precursory Apologetics* and embark on a journey as longstanding as western culture itself. This item ships from...
