Divine Glory will reveal that the development of the Bible, which took many centuries, carried a definitive purpose that escalates and ultimately culminates. The purpose of the Bible is proof of its divine inspiration to the skeptic and a means to ignite the faith of the believer. Many theologians and Christian thinkers have referred to this purpose in their writings, but no one has ever written a book that exclusively identifies and chronicles this purpose. This book masterfully lays out this grandiose purpose. Have you ever read through the Bible and wondered- - Why are apparitions of God often depicted in strange ways? - What is the meaning of the Old Testament sacrifices, rituals, and many holidays? - What is the purpose behind the recorded history of the nation of Israel? - How can I view the message of the Bible cohesively? This book will answer these questions and put things in their right perspective. Once you ve have read this book you will never read the Bible the same way. The purpose of the Bible will become evident like it never has before, and it will finally make perfect sense to you.
