Not illustrated. 1886 edition. Excerpt: . of the orator s mind in his subject mastered him. On the first page the letters were round and clear and the words perfectly formed. He had thought this out, and he wrote it deliberately. As he warmed with the theme, and new ideas came to him, the excitement of them was apparent in an increasing ratio, till it became literally what would be known as shorthand in the last workings out of the idea that had possessed him. If good penmen are not the rule rather than the exception, they ought to be. It is in the power of most men and women--though not of all--to be both legible and elegant to a reasonable degree in this respect. But the very worst writers--those who are the puzzle of their correspondent and the despair of the printing office--are those who have fallen into this...
