He was The Father of Northern and North Western Colonization in America; in attempting which he lost his life, leaving his opinions and example in possession of his disciple and brother, Sir Walter Kaleigh, who perfected them, and thus became the Founder of Virginia. These men laid the foundation of the trade and naval power of Great Britain. Among the earliest colonists in Virginia, Connecticut, Massachusetts, and Maine were the Gilberts, to whom these pages refer. It has been the design of the author merely to present a few general facts, which may be of service to future enquirers.
