Dr. Mendenhall, the woman who is head of the emergency room, isn t convinced the cause of death is a contagion. But it s in the interests of the hospital administratorsand of the world at largefor people to think that it is. If the world knew the truth there could only be widespread panic. The hospital is immediately locked down. Information is suddenly being strictly controlled. Government troops encircle the hospital to enforce the quarantine, and other bodies arrive in the ER.
